

#### Change Management & Process Improvement

Creative, committed, passionate people who are trying to achieve positive change sometimes find themselves stuck. Working with a change management consultant can be just what is needed to progress. **Common Worth** can support your organization/business by providing:

- Coaching on communicating change,
- Customized and collaboratively built rapid-cycle change plans with clear aims and accountability,
- Design and development of effective change teams,
- Identification and implementation of simple data collection processes to measure progress,
- Proactive and transparent approach to challenges and barriers,
- Team building and education about change processes

Model of Improvement

*“Lilly Irvin-Vitela assisted our team through an organizational change and restructure. She worked with us to ensure that changes were smoothly and successfully implemented, and that the lasting benefits of change were achieved. She’s professional, intelligent, intuitive, and has a great work ethic.*”

*Lilly Irvin-Vitela is accommodating, easy to work with, and genuinely interested in the success of her clients. We highly recommend Lilly. ”*
