

Strategic Planning

Design, Facilitation, & Drafting

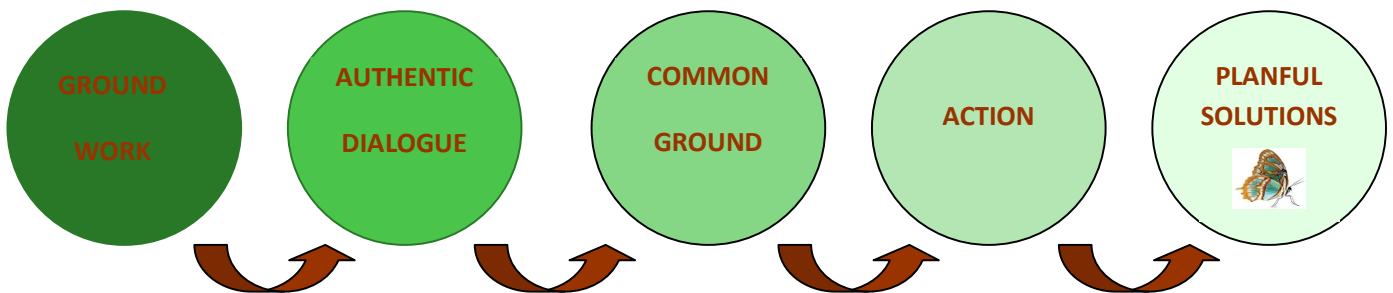

Common Worth can support your organization through an intentional planning process to strategically position your organization for the future. Common Worth is not limited to a one-size-fits-all approach to strategic planning. Any strategic planning process with Common Worth includes:

- Thoughtful and focused strategic planning ground work
- A careful analysis of organizational capacity and buy-in to existing efforts
- Support around realistic priority setting
- A focus on action, timelines, and clearly defined roles
- A productive, inclusive, well-facilitated planning process

"It has been consistently a pleasure to work with Ms Irvin-Vitela. She brings great energy, passion and focus to her work. Her skills at group facilitation and working through differences in opinion to reach common ground are superb."

I would highly recommend her to other organizations looking to create or manifest a unified and purposeful vision for their organization."
